ANNUALS. Ageratum, Asters, Celosia, Scarlet Sage, Snapdragon, Marigold, Sweet Alyssum, Zinnias, etc., in many varieties and colors. Available after May 15, 1955 in flats or by the dozen.

SPECIALTIES. In addition to the regular lists, we are trying to make available to a discriminating clientele, a number of the scarcer varieties and grades of shrubs and evergreens. Plants may be selected and marked ahead of planting season at no extra cost.

Thirty years of experience in the landscape and nursery business is available to you in solving your landscape problems, large or small.

RETAIL PRICE LIST - SHRUBS

FALL 1954 - SPRING 1955

We invite your inspection of our nursery. Our shrubs are planted far enough apart in rows that they can grow into a shrub before you get them. Heavy, full topped plants, fresh dug to order. There is no comparison between these plants and the dried-out dormant plants from storage. In excellent assortment for local climate and conditions.
